

Parent Participation at Yaxche

Yaxche relies on the generosity of its parents, donors, and volunteers to continue making a difference in young peoples' lives. Your investment of service is essential in helping us continue to keep tuition low, to provide students with access to an excellent education and the encouragement to succeed. Please consider being as generous as possible.

All Yaxche parents are required to participate in our fundraising efforts. Please check all areas in which your family will contribute:

- Mountain Festival (September)
- Yaxche Benefit Dinner (February)
- Hispanic Scholarship Dinner (March)
- Taos School of Cooking (ongoing)
- Yaxche Triathlon (May)
- Special Events – Music Concert (June)

All Yaxche Families are expected to participate in the Annual Fund. The percentage of families providing annual support to Yaxche is a vital statistic used by individual donors, grantors and foundations when determining their level of support for Yaxche. Without a contribution from every family, Yaxche will not be considered for many grants and donations.
